June Meeting Minutes

Although there was not a formal business meeting, I must say that all of us who attended the meeting with the Dyed-in-the-Wool Weavers held at Kim's had a memorable day. She has a fascinating place. Anyone who did not attend missed a treat. Thank you, Kim.

From the Lab

Hi, everybody! Special thanks to Kim Whitt for lending her home for our joint meeting with the Dyed-in-the-Wool Weavers from the Coast. I know everyone had as much fun as I did. I'm green with envy over her house and studio. And a special thanks in advance to Nancy for our July meeting at her house. It should be a lot of fun spinning, weaving, etc for a good time.

July Meeting

There will be an informal meeting at Nancy Landrum's home in Meridian on July 20. Directions below. Meeting starts at 10:00 a.m. Nancy will provide lunch. A dessert will be furnished by someone the "absent-minded professor" can't remember, but I'm sure that person remembers. Mentioned at the meeting in June was the possibility of working on angels for the Craftsmen's Guild Christmas Tree. Bring any supplies you think necessary for this and maybe Hazel will give us a "preview." Also bring any other weaving, knitting or spinning project you desire to work on. I am told Nancy's place is one you don't want to miss! Let's be there! Directions to Nancy's -- Taking I-20 into Meridian, exit at the Valley Road exit, then turn right. Go just under 3 miles and turn right at a split rail gate. Nancy's home is at the end of this road. Meeting starts at 10am. Anyone wishing to carpool or caravan, get in touch with me at 992-0715 or 956-1478 (note: new home phone #.)
